

LONBUFF

Designed to clean and restore glossy acrylic, polymer or urethane finished floors in one easy step. This revitalizer will remove dirt, marks and grime while repairing scuffs and abrasions. For use with a low speed floor machine and contact pad as part of a spray buffing floor maintenance. Used in conjunction with Lonseal's recommended flooring maintenance program; Lonbuff will revitalize and extend the life of your resilient sheet vinyl flooring.

Features and Related Benefits

Economical	Cleans and restores surface
Repairs scuffs/abrasions	Restores shine
Prolongs life of floor	Saves money

Areas of Use

May be used with electric, battery, or propane equipment in: Restaurants, hotels, motels, offices, hospitals, nursing homes, doctors offices, schools, universities, child care centers, grocery stores, malls, retail stores

To Use –

Pour into an automatic or manual sprayer. Spray a fine mist over a small area to be cleaned (about 5 feet at a time). Immediately buff, sprayed area with a low speed machine equipped with a contact pad until clean and dry. Change contact pads when they get clogged. Once the surface is clean and completely dry, dry buff with a contact pad on a low speed machine to enhance the luster.

Average Coverage: 4,500 s.f./gallon.

Please refer to *Lonseal's Technical Manual for Interior Flooring Products* or www.lonseal.com/maintenance for further information.
