## Headquarters and Showroom

**DESIGNER:** Jeffrey Hoyer, sparc architecture

**CONTRACTOR:** Carlson-LaVine, Inc.

**LOCATION:** Minneapolis, MN

**PRODUCT:** Lonstage UV, 100 Shiny White

*“The Lonstage has also stood up to four years of wear without any noticeable changes or obvious wear. Set off by the shiny white floor, the wood display area is like a jewel-box setting within the showroom. This is an homage to the full showroom spaces for the Minneapolis Headquarters.”*
