

LONSEAL

GREENAIR™
COLLECTION
LOW VOC PRODUCTS BY LONSEAL INC.

Culinary Institute of Charleston

Trident Technical College, Palmer Campus

DESIGN FIRM: LS3P ASSOCIATES LTD, IMAGE STUDIO

LOCATION: Charleston, South Carolina

PRODUCT: Loneco

*"We are happy to see how well the Loneco product turned out. We selected this product based on the following criteria: **durability, low maintenance, virtually seamless product, sustainable aspects, and its overall appearance** which gave us a slick look for a more modern area. I have used a few other Lonseal products in past years, and have always had success. I am happy to see Lonseal becoming more "Green" with their products."*

Lisa Kerr, IIDA

Associate Principal

Director of Interior Architecture / Image Studio - Columbia
