Purchasing Information Flow Downs

Please review the following supplier requirements. If an item does not pertain to your business please state N/A next to the section that does not pertain.

1.0 Raw Material

- 1.1 Raw material received shall be accompanied by a test report if specified within the purchase order.

2.0 Test Report

- 2.1 Test reports shall be provided with the product as required by the purchase order.

3.0 Process certification preformed by the suppliers

- 3.1 Copy of the report of all special processes and inspection verification results shall be furnished with each shipment of processed components.

4.0 Certification of Compliance

- 4.1 Copy of the certificate of conformance shall be included with each shipment.

5.0 First Article Inspection

- 5.1 If a first article is required, copy of the report, shall be provided for review and approval.

6.0 Source Inspection

- 6.1 Supplier shall make its facilities available for source inspection by Lonseal, Inc, its customer(s) or regulatory authority.

7.0 Change Notification and Approvals

- 7.1 Changes to a process or a product substitution must be approved by Lonseal, Inc. prior to processing.

8.0 Inspection System

- 8.1 Supplier shall maintain an inspection system in compliance with ISO 9001:2008 or AS9100 Rev C equivalent, including record control and retention for a minimum of 7 years.

9.0 Calibration System

- 9.1 Calibration system shall be traceable to National Institute of Standards and Technology (NIST).

10.0 Nonconforming Product

- 10.1 Nonconforming product shall be properly segregated in accordance with ISO 9001:2008 or AS9100 Rev C.

11.0 Special Process Control

- 11.1 Special processes shall be approved by Lonseal, Inc. prior to processing.

12.0 Customer/Government Source

- 12.1 Should the customer and/or government sources visit the supplier facility and accept the product, there is still a possibility that the customer may reject the product, thus it is the responsibility of the supplier to ensure the quality of the product prior to shipment.

LONSEAL

13.0 Key Characteristics
